Modified by ASC 22/08/2018 - Product sheet MY2019: 1 Sept 2018 - 31 Aug 2019

The sporty, spacious and very individual Uttern C77 is a boat that's made for being on the water and makes every voyage an adventure. With room for nine people, the spacious dining area with galley make those moments spent with family and friends, extra special.

UNCOMPROMISED SAFETY

- A powerful Mercury inboard or outboard engine with up to 300hp delivers great acceleration and top speed, while Mercury technology ensures safe and precise handling.
- Enjoy a 360° view from the cabin with an ergonomic helm that can be equipped with large GPS/Chart plotter
- Deep cockpit and wide companionway steps to the foredeck guarantee safe passage to the bow area
- Extra-large transom door coupled with swim platforms with integrated swim ladder provide safe access to the water.

FEATURES & BENEFITS

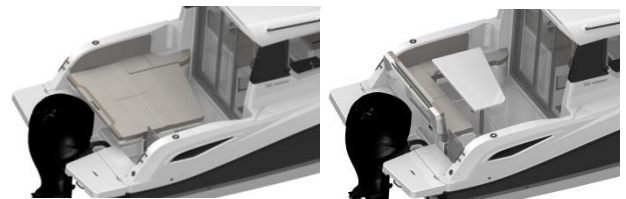

COMFORT ONBOARD

- Large cabin with galley and dining area that seats up to 4 persons
- Sleeping accommodations for 4 people
- Large front forward berth comfortably sleeps two adults while the mid berth is suitable for one person. Possibility to convert the dining area in a fourth berth.
- Large hull windows providing plenty of natural light in the sleeping area
- Optional air conditioning (only on shore power) and heating is available to maintain the desired temperature
- Integrated cockpit sun awning.

THE VERSATILITY YOU NEED

- The four-position dinette in the cabin can be used for dining, socializing, cruising and can be converted to an extra berth
- Second sun lounge on foredeck
- Versatile cockpit area suitable for cruising and convertible to dining area and sun lounge. With the optional seat extension you can create a L-lounge seating
- Reclining backrest extends the total sun lounge area and offers direct access to the water.

THE POWER YOU NEED

- With the choice of several inboard or outboard engines.
 - Mercury outboard from 175 to 300 hp
 - Mercury MerCruiser inboard 4.5L gas from 200 to 250 hp
 - Mercury Diesel inboard 2.0L 170 hp
